

Gavin -

Welcome to Olin! If you didn't know, I am your adviser from now until we part ways. I hope you are having a good summer and are excited about coming to Olin in the fall.

First, a little about me. For the most part, you can find out about my academic interests on the Olin web site or here:

<http://faculty.olin.edu/~mchang>

Heck, it even includes a bad mug shot.

I have been at Olin for about a year as an Assistant Professor of Electrical and Computer Engineering. So in a way, we'll be learning about Olin together. Fear not, though, we have plenty of 2nd and 3rd year students to help us out.

So, enough about me – on to you. As your first assignment, please send me an introductory email so I can get to know you a little better. Some things to include (by Aug. 15, please):

What are your goals at Olin?

Do you have any thoughts about your first semester at Olin?

Any questions/concerns?

So, please feel free to contact me at any time.

Email: mark.chang@olin.edu

Phone: 781.292.2559

AIM: mchangolin

See you in the fall!

PS: You can find this letter and more here:

<http://faculty.olin.edu/~mchang/gavin>
